Sir:

**INFORMATION DISCLOSURE STATEMENT**  
**UNDER 37 C.F.R. §§ 1.56, 1.97, and 1.98**

Applicant is submitting this Information Disclosure Statement pursuant to 37 C.F.R. §§ 1.56, 1.97, and 1.98 to disclose to the U.S. Patent and Trademark Office the patents, publications, applications, and/or other references listed on the enclosed, completed PTO-1449 forms. The filing of this Information Disclosure Statement should not be construed as a representation that a search has been made or as an admission that the listed references are prior art for this application. Applicant respectfully requests that the listed references be expressly considered during prosecution of the application, and that the references be made of record therein and appear among the "references cited" on any patents issuing therefrom.

This Information Disclosure Statement includes 4 pages of PTO-1449 forms; however, it does not include copies of the references listed on the forms, as permitted under

37 C.F.R. § 1.98(d), because copies already were provided in an earlier U.S. application (Serial No. 10/660,904) that is relied on here for an earlier effective filing date under 35 U.S.C. § 120.

An English-language abstract of Japanese Patent No. JP 56-168355 is already of record in the previously cited application identified above.

Although resubmission of print copies of the previously submitted references listed on the enclosed PTO-1449 forms is not required, the Examiner is invited to contact Applicant's undersigned attorney if print copies of the previously submitted references would be helpful to advance prosecution of the present application.

This Information Disclosure Statement is being filed with the application or with a Request for Continued Examination of the application under 37 C.F.R. §1.114. Therefore, in accordance with 37 C.F.R. § 1.97(b), no fee or statement under 37 C.F.R. § 1.97(e) is required.

Please contact the undersigned with any questions or comments regarding this Information Disclosure Statement.

Respectfully submitted,

KOLISCH HARTWELL, P.C.
